Students do not enroll in the plan. If students do not submit the waiver to the portal by the deadline date, then they get auto-enrolled in the plan. The Student Services Office will provide profile info for each student.

For Dependent coverage see the Dependents rates / dates chart and contact Relation Insurance Services at (800) 537-1777. Students handle this coverage directly with our broker and not with Roseman.

* Students with late degree dates that include experiential for completion of degree requirements must pay for student health insurance at \$253/month (\$506/month for two [2] or more children) beyond termination date.
